

CLEAN & FINISH

Even Cut offers clean and finish products for the removal of surface imperfections, corrosion, rust and burs. Clean and finish products are produced from the highest quality nylon web fiber impregnated with resin and abrasive grain. Polishing rolls are available in 30' lengths for use in the tool room or on the shop floor. Hand pads are an excellent choice for general cleaning and hand finishing of metal and wood.

CLEAN & FINISH DISCS

Even Cut clean and finish discs can be stacked to the width required and mounted on a 1/4" shank mandrel making a very flexible and conformable wheel for specific applications.

polishing rolls

non-woven nylon finishing material

width x length	grit	part no.	pkg qty
3" x 30 feet	A/Medium	42321	1
	A/Fine	42322	1
	A/VFine	42323	1
	SC/Ultra Fine	42324	1
4" x 30 feet	A/Fine	42326	1
	A/VFine	42327	1
	SC/Ultra Fine	42328	1
6" x 30 feet	A/Medium	42329	1
	A/Fine	42330	1
	SC/Ultra Fine	42332	1

polishing hand pads
